# Who We are

At OasisPlus Care, we are a community committed to empowering individuals to live their best lives. With compassion and professionalism, we tailor our services to each person's needs, emphasising social integration, inclusivity, and personal growth. We advocate for individual rights, ensuring everyone is respected, valued, and fully engaged in their journey.

# Our Values

At OasisPlus Care, our core values guide everything we do:

- ✓ Client-Centered
- ✓ Empowerment
- ✓ Innovation
- ✓ Integrity
- ✓ Inclusivity
- ✓ Compassion
- ✓ Quality

# Our Services

-  **Assist Personal Activities High:**  
We support complex care needs, ensuring comfort and dignity in daily living.
-  **Assist-Life Stage Transition:**  
We guide and support through major life changes, helping individuals adapt.
-  **Assist-Personal Activities:**  
We assist with daily tasks like personal hygiene, dressing, and grooming.
-  **Assist-Travel/Transport:**  
We provide safe, reliable transportation for community connections and appointments.
-  **Community Nursing:**  
We deliver tailored nursing services at home, meeting specific health needs.
-  **Daily Tasks/Shared Living:**  
We support household tasks, shared living, and respite care, promoting independence.
-  **Development-Life Skills:**  
We offer programs to build essential life skills, enabling independent living.

-  **House Tasks:**  
We assist with chores to keep homes clean, organised, and safe.
-  **Participate Community:**  
We encourage and support engagement in community activities for social well-being.
-  **Group/Centre Activities:**  
We facilitate group activities that promote social interaction and skill development.
-  **Implementing Behaviour Support Plans:**  
We implement tailored behaviour support plans developed by specialists.
-  **Nursing Agency Services:**  
We provide Registered Nurses, Enrolled Nurses and Carers across various health care settings.
